Best of Everything.
Coach McMahon 6/17/82

The senior class would like to dedicate the 1981-82 edition of ***Ye Green Quill*** *to Mr. John McMahon. "Coach" McMahon has been a friend to all of us during our years at H.H.S. and has set values for each of us to follow. He has seen our class grow not only atheletic athletically but also into young men and women. Mr. McMahon has always been there to help us, from giggling health classes to graduation. He has been a leader that we all admire. This year has been one of change for our school and affected us all . . . when many people gave us hope on our class, Mr. McMahon taught us never to lose our hope in ourselves and our goals. For everything you have given to us throughout the years, we dedicate this volume to you as a token of our lasting gratitude.*

"Reason and calm Judgement, the qualities specially belonging to a leader."

-Tacitus

He is neither the smartest, the biggest, nor the fastest rabbit, nor does he have any leadership experience. But he is able able to recognize the ways in which each rabbit is superior to the others, andhe knows the right thing to say toeach to bring out that superiority. From him we realize that true leaders need only the kind of brain that can communicate with the best parts of the brains of others.

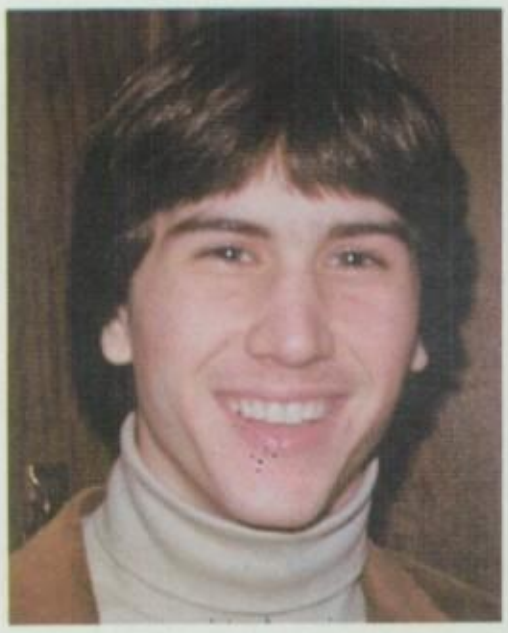
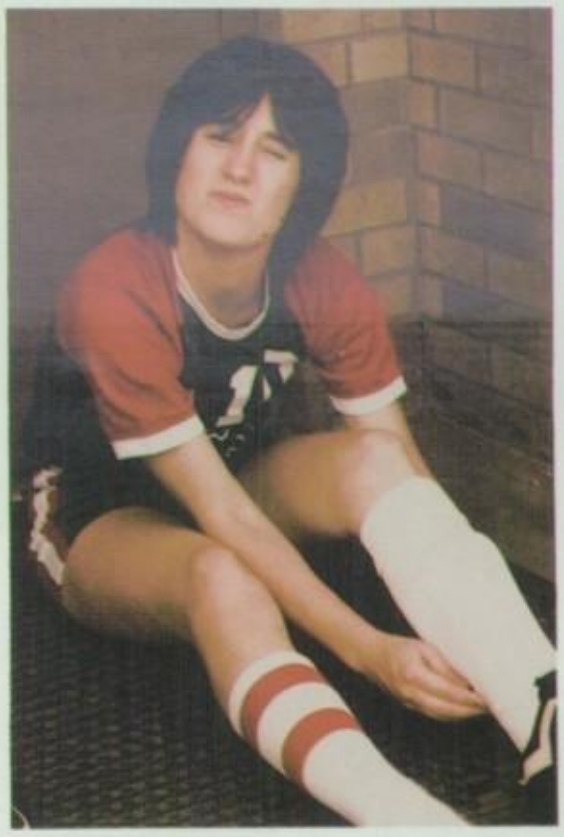
Photographers, along with dentists,
Are the two professions
never satisfied with what they do.
Every dentist would like to be a doctor
and inside every photographer
is a painter trying to get out.

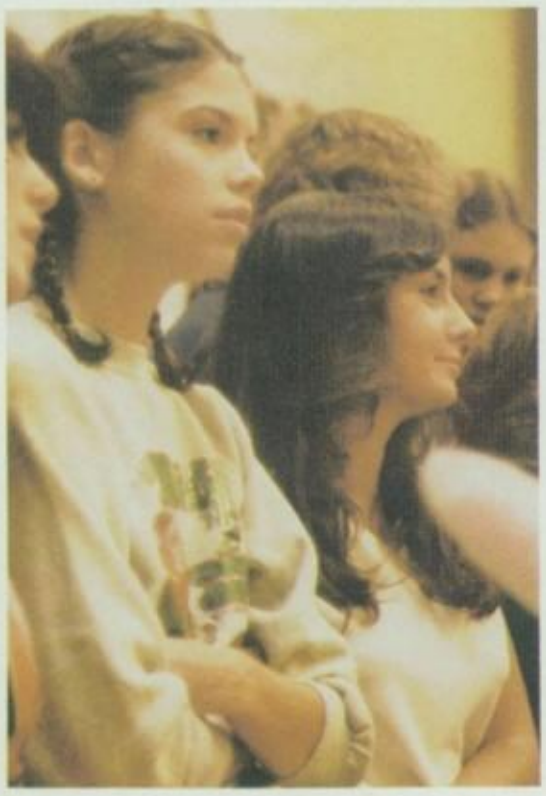
-Pablo Picasso





The mind ought sometimes to be
amused, that it may the
better return to
thought, and
to itself.

-Phaearus

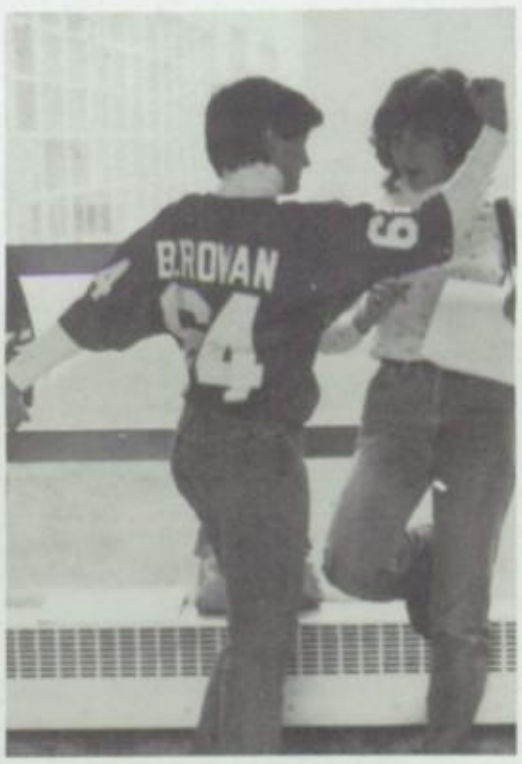


Every man has in himself a continent of undiscovered character. Happy is he who acts the Columbus to his own soul.

-Sir J. Stevens

We have been friends together,
In sunshine and in shade,
Since first beneath the chest-nut tree
In infancy we layed.
But coldness dwells within thine heart
A cloud is on thy brow;
We have been friends together,
shall a light word part us now?

-Caroline Elizebeth

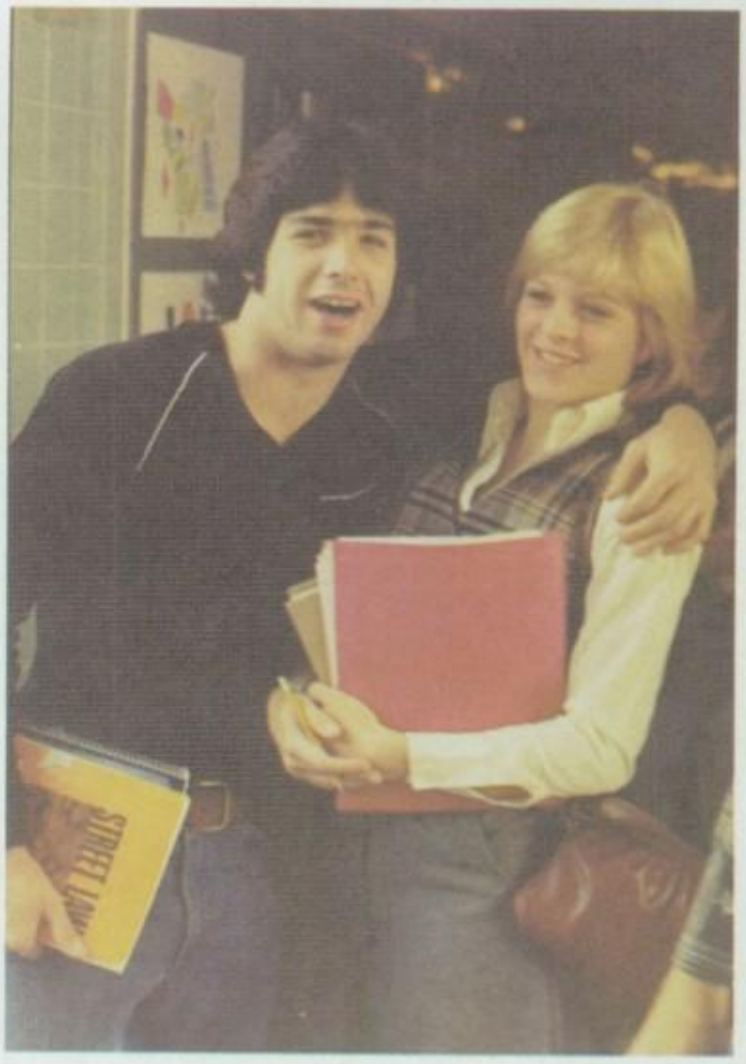


The vile are only vain;
the great are proud.

-Byron

There is a wide difference between general acquaintance and companionship. You may salute a man and exchange compliments with him daily, yet knowing nothing of his character, his inmost thoughts and feelings.

- William Matthews

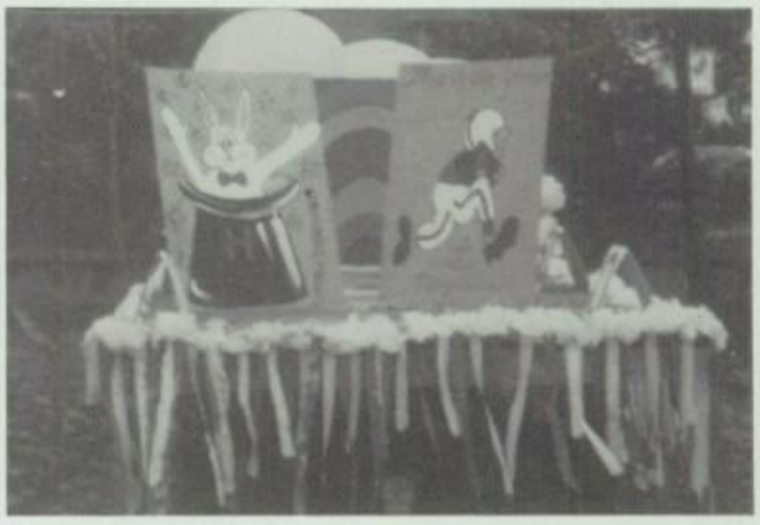


How often are we to die before we go off this stage? In every friend we lose a part of ourselves, and the best part.

-Pope

Winged time glides on insensibly,
and deceives us; and there is
nothing more fleeting
than years.

-Ovid



There are three parts in truth; first, the inquiry, which is the wooing of it, secondly, the knowledge of it, which is the presence of it, and thirdly, the belief, which is the enjoyment of it.

-Bacon

To be happy, you must have taken the measure of your powers, tasted the fruits of your passions, and learned your place in the world.

-Santayana

For they can conquer
who believe they can.

I feel within me
A peace above all earthly dignities,
A still and quiet conscience.

Dost thou love life?
Then waste not time, for
time is the stuff life is made
of.

-B. Franklin

What is youth? -a dancing billow, winds behind and rocks before.

-Moore

An able man shows his spirit by gentle words and resolute actions; he is neither hot nor timid.

-Chesterfield

There is one art of which every man should be master, -the art of reflection.

-Coleridge

Dreams, indeed, are ambition;
the very substance of the ambitious
is merely the shadow of a dream.
And I hold ambition of so dry
and light a quality, that it is but
a shadow's shadow.

-Shakespeare

Appearances deceive, and this one maxim is a standing rule: men are not what they seem.

Our Friend From Afar

Carmen Gloria Lagos Aichele

VENEO DESDE OSORNO CHILE. MI DEDEO MAS PROFUNDO DURANTE MI ESTADIA EN LOS EEUU, ES PODER CONOCER LAS COSTUMBRES DE LAS PERSONAS, TAMBIÉN PODER APRENDER SU LENGUA Y TODAS LAS DEMÁS COSAS QUE SON NUENUAS PARA MI.

LO QUE MÁS ME AGRADA ES LA SIMPATIA DE LAS PERSONAS, ADEMÁS EL PODER ADMIRAR SUS BELLOS PARAJES Y HERMOSAS CONSTRUCCIONES.

CUANDO REGRESE A CHILE ASISTIRÉ AL COLEGIO DURANTE DOS AÑOS MÁS Y ÉSTA MARAVILLOSA EXPERIENCIA AQUI SERÁ DE GRAN AYUDA PARA MI. DESPUÉS DE MI GRADUACIÓN ME GUSTARIA ESTUDIAR LEYES, ASISTENCIA SOCIAL, Ó EDUCATIÓN FISICA.

I come from Osorno, Chile. My deepest wish during my stay in the United States is to be able to know the customs of the people, also to learn their language and all the other things that are new for me.

What I like most is the charm of the people, also to be able to admire their beautiful places, and buildings.

When I return to Chile, I will attend high school for two more years and this marvelous experience here will be a great help for me. After my graduation I would like to study law, social assistance, or physical education.

A Classic Gear

We may get back together & both of us will have it. Just remember to do the right thing anyway - where I'm from guy's don't run around on their wives, as long as I was right I stood my ground. Good luck on your finals & you pass all of them. All the best & I wish you hope that you don't let it get you down. Love ya, Eddie

Homecoming 1981

Our activities began at the pep assembly on Friday. Joe and Sue were crowned king and queen, and the rest of the senior court consisted of Mike and Angela, Greg and Mary Beth, Norman and Adele, and Scott and Martha.

On Saturday, the Magicians trounced Kennedy in a raging blizzard, to win the C.V.C. title. The festivities continued on Saturday night, where we danced to Sonar. The weekend was super, and all it took was "JUST ONE VICTORY"!!!

Homecoming as a senior, we've waiting a long time to see,
We always knew how special it would be.
From our first day here,
We tried to picture our senior year.
Our weekend was filled with joy and with fun,
We'll always remember the things we've done.
From hat day, to slob day, to sunglasses and more,
From a C.V.C. title to the Dome crowd's roar.
Each moment was something we'll never forget,
The things we've done, we'll never regret.
This weekend played a major part,
In the memories that will stay in our hearts.
We'll always remember, both me and you,
Our Senior Homecoming, nineteen eighty two!!!

Where the silvery Mohawk's flowing, As it wends its peaceful way. There's a
Oh, her sons and daughters love her With a love that knows no end. And with
spot of fondest mem'ry To the Alumni young or gray. There our
garlands fair en- twine her As her honor they de- fend. For her
dear old Alma Mater Stands throned 'midst hills of green; As the
ivy walls are sacred To the scenes of glad-spent days, And our
white clouds bend a- bove her, She's the fairest ever seen.
voices rise in parting, As we sing her endless praise.

Sixty years ago, just prior to her graduation from Herkimer High School, Irene Welke (salutatorian of the class of 1922) wrote the Herkimer High School Alma Mater. Considered then to be one of Herkimer's most brilliant students, she went on to become an honors graduate of Russell Sage College receive a master's degree from the University of Illinois. She majored in language and for nine years taught modern languages at the University of Evansville, Indiana, becoming the head of its Modern Lanuage Department in the mid-1930's.

Irene and her husband Derrill R. Place of Illinois, whom she married in 1929, loved the Mohawk Valley and frequently returned to spend their summers in Herkimer. When complications from lung surgery caused her untimely death in 1940 at the age of only 36, Mr. Place had her remains returned to Herkimer for funeral and burial. Her grave is located in Oak Hill Cemetery where one can stand and look out over the valley "where the silvery Mohawk's flowing."
